

AEC TECHNOLOGY STRATEGIES 2011 CONFERENCE

June 8-10, 2011
Hilton La Jolla Torrey Pines
La Jolla, CA

 Platinum \$15,000	Gold \$20,000	Silver \$15,000	Bronze \$10,000
--	------------------	--------------------	--------------------

If your company is looking to get in front of hundreds of senior level IT professionals in architecture, engineering, environmental and construction firms - this event is for you. The program gives equal time to the business issues driving technology, discusses the latest tools and tactics at work in innovative firms today and helps develop strategies for adapting and thriving in tomorrow's AEC space. AEC Firm CIOs, VPs of Technology, IT Directors, CEOs, Presidents, COOs, Principals and other Business Leaders will gather at the Hilton La Jolla Torrey Pines and compare notes, strategies and case studies in a relaxed setting.
